Subject index*

A

Acetaminophen
A study of the comparative efficacy of four common analgesics in the control of postsurgical dental pain (Habib et al). 1990;70:559-63
Acetylsalicylic acid; *see* Aspirin
Acquired immunodeficiency syndrome
Oral histoplasmosis as a presenting disease in acquired immunodeficiency syndrome (Oda et al). 1990;70:631-6
Oral hyperpigmentation and adrenocortical hypofunction in a patient with acquired immunodeficiency syndrome (Porter et al). 1990;70:59-60
Progressive osseous destruction as a complication of HIV-periodontitis (SanGiacomo et al). 1990;70:476-9
Adenocarcinoma
Tyrosine-rich crystalloids in a polymorphous low-grade adenocarcinoma (Raubenheimer et al). 1990;70:480-2
Adenoma
The cellular composition of basal cell adenoma of the parotid gland: an immunohistochemical analysis (Ogawa et al). 1990;70:619-26
A pigmented adenomatoid odontogenic tumor (Aldred and Gray). 1990;70:86-9
Adrenal cortex
Oral hyperpigmentation and adrenocortical hypofunction in a patient with acquired immunodeficiency syndrome (Porter et al). 1990;70:59-60
Aerobic bacteria; *see* Bacteria, aerobic
African Burkitt's lymphoma; *see* Burkitt's lymphoma
Aged
Temporomandibular joint dysfunction and selected health parameters in the elderly (Harriman et al). 1990;70:406-13
Agranulocytosis
Effect of granulocytopenia on oral microbial relationships in patients with acute leukemia (Peterson et al). 1990;70:720-3
Airway
Cephalometric analysis of long-term airway space changes with maxillary osteotomies (Greco et al). 1990;70:552-4
Airway obstruction
Dexamethasone as an adjunct in oropharyngeal obstruction in a patient with leukemia (Barrett). 1990;70:741-3
Allergy; *see* Hypersensitivity
Aluminum oxide
Clinical evaluation of a single crystal sapphire tooth implant in human beings (Sclaroff et al). 1990;70:141-6
A new method of tooth replantation and autotransplantation: aluminum oxide ceramic for extraoral retrograde root filling (Keller). 1990;70:341-4

*July, pp. 1-130; August, pp. 131-246; September, pp. 247-398; October, pp. 399-544; November, pp. 545-684; December, pp. 685-830.

Alveolar bone loss; *see* Bone resorption
Alveolar process, innervation
Cross-sectional tomography: a diagnostic technique for determining the buccolingual relationship of impacted mandibular third molars and the inferior alveolar neurovascular bundle (Miller et al). 1990;70:791-7
Alveolar ridge augmentation
Histologic evaluation of the bone graft interface after mandibular augmentation with hydroxylapatite/purified fibrillar collagen composite implants (Mehlisch et al). 1990;70:685-92
Amalgam
Impacted maxillary deciduous second molar with occlusal amalgam restoration (Schiffmann). 1990;70:128 (Radiology forum)
Microleakage associated with retrofilling of the apical two thirds with amalgam (Negm). 1990;70:498-501
Oral mucosal lesions related to silver amalgam restorations (Bolewska et al). 1990;70:55-8
Ameloblastoma
Peripheral ameloblastoma with clear cell differentiation (Ng and Siar). 1990;70:210-3
American Academy of Oral Medicine
Proceedings and abstracts of the Forty-fourth Annual Meeting of the American Academy of Oral Medicine. 1990;70:454-7
American Academy of Oral Pathology
Abstracts from the Forty-fourth Annual Meeting of the American Academy of Oral Pathology. 1990;70:605-12
Proceedings of the Forty-fourth Annual Meeting of the American Academy of Oral Pathology. 1990;70:600-4
Amikacin
In vitro effect of chlorhexidine and amikacin on oral gram-negative bacilli from bone marrow transplant recipients (Brown et al). 1990;70:715-9
Analgesics
A study of the comparative efficacy of four common analgesics in the control of postsurgical dental pain (Habib et al). 1990;70:559-63
Anesthesia, general
Comprehensive dental care and general anesthetic management of hereditary epidermolysis bullosa: a review of fourteen cases (Wright). 1990;70:573-8
Angiography
Capillary hemangioma of the maxilla: a report of two cases in which angiography and embolization were used (Greene et al). 1990;70:268-73
Anodontia
Absence of all permanent second molars (Tian). 1990;70:681-2 (Radiology forum)
Hemifacial microsomia with an edentulous mandible: forme fruste or a new syndrome? (Cranin and Gallo). 1990;70:29-33
Antibody formation
Cell-mediated and humoral immune responses in diabetic patients with periodontitis (Anil et al). 1990;70:44-8

Anticoagulants
Dental extraction for patients on oral anticoagulant therapy (Martinowitz et al). 1990;70:274-7
Antigens
Coexpression of cytokeratins, involucrin, and blood group antigens in oral squamous cell carcinomas (Toto and Nadimi). 1990;70:75-80
Antrolith
Antrolith (Irish et al). 1990;70:682-3 (Radiology forum)
Archaeology
Anomalous morphologic formation of deciduous and permanent teeth in a 5-year-old 15th century child: a variant of the Ekman-Westborg-Julin syndrome (Mann et al). 1990;70:90-4
Arrhythmia
Dental patient reaction to electrocardiogram screening (Little et al). 1990;70:433-40
Arthritis, psoriatic
Psoriatic arthropathy of the temporomandibular joint (Wilson et al). 1990;70:555-8
Arthrography
Morbidity after temporomandibular joint arthrography is lower than after removal of lower third molars (Westesson and Eriksson). 1990;70:2-4
Arthroscopy
Arthroscopic and histologic evidence of chondromalacia in the temporomandibular joint (Quinn). 1990;70:387-92 (Supplement)
A histologic evaluation of the accuracy of TMJ diagnostic arthroscopy (Merrill et al). 1990;70:393-8 (Supplement)
Silicone rubber fossa implant removal via partial arthrotomy followed by arthroscopic examination of the internal surface of the fibrous capsule (Sanders et al). 1990;70:369-71 (Supplement)
Arthrotomy; *see* **Joints, surgery**
Articular cartilage; *see* **Cartilage, articular**
Articular eminence
Transcranial radiographic and tomographic analysis of the lateral and midpoint inclined planes of the articular eminence (Ichikawa et al). 1990;70:516-22
Artifact
Butterfly artifact in the oral cavity (Jones). 1990;70:680 (Radiology forum)
Aspergillosis
Invasive aspergillosis of the maxilla in an immunocompromised patient (Shannon et al). 1990;70:425-7
Aspirin
A study of the comparative efficacy of four common analgesics in the control of postsurgical dental pain (Habib et al). 1990;70:559-63
Autotransplantation; *see* **Transplantation, autologous**

B

Bacteria; *see also* **Infections**
The antimicrobial effect of various endodontic sealers (Al-Khatib et al). 1990;70:784-90
Bacterial adherence and contamination during radiographic processing (Bachman et al). 1990;70:669-73
Candidal infection in oral lichen planus (Hatchuel et al). 1990;70:172-5
A clarification on endodontic flare-ups (Morse and Esposito). 1990;70:345-8
Effect of granulocytopenia on oral microbial relationships in patients with acute leukemia (Peterson et al). 1990;70:720-3
Effectiveness of ultrasonic files in the disruption of root canal bacteria (Ahmad et al). 1990;70:328-32
In vitro effect of chlorhexidine and amikacin on oral gram-negative bacilli from bone marrow transplant recipients (Brown et al). 1990;70:715-9
Orofacial odontogenic infections: review of microbiology and current treatment (Gill and Scully). 1990;70:155-8
Bacteria (cont'd.)
The risk of intentional dissolution of the smear layer after mechanical preparation of root canals (Gutiérrez et al). 1990;70:96-108
Bacteria, aerobic
Aerobic bacterial contamination in dental materials (Rice et al). 1990;70:537-9
Basal cell adenoma; *see* **Adenoma**
Bees
Propolis allergy: a cause of oral mucositis with ulceration (Hay and Greig). 1990;70:584-6
Bicuspid; *see* **Premolar**
Biliary cirrhosis; *see* **Liver cirrhosis, biliary**
Bioglass
Clinical application of dental implant with root of coated bioglass: short-term results (Kudo et al). 1990;70:18-23
Blister
Multiple myeloma and bullous lichenoid lesions: an unusual association (Bowden et al). 1990;70:587-9
Blood groups
Coexpression of cytokeratins, involucrin, and blood group antigens in oral squamous cell carcinomas (Toto and Nadimi). 1990;70:75-80
Blood pressure determination
Blood pressure measurements during dental checkups representative of 26-hour registration (Gortzak and Abraham-Inpijn). 1990;70:730-3
Blood vessels
Calcified blood vessel (Boguslaw). 1990;70:366 (Radiology forum)
Bone development
Triple bone labeling of canine mandibles (Pinholt and Kwon). 1990;70:401-5
Bone marrow transplantation
In vitro effect of chlorhexidine and amikacin on oral gram-negative bacilli from bone marrow transplant recipients (Brown et al). 1990;70:715-9
Oral and pharyngeal herpes simplex virus infection after allogeneic bone marrow transplantation: analysis of factors associated with infection (Schubert et al). 1990;70:286-93
Bone resorption
Premature alveolar bone loss in Erdheim-Chester disease (Valdez et al). 1990;70:294-6
Bone transplantation
Apparent regeneration of the mandibular canal in a free bone graft (Hopper and Poker). 1990;70:431-2
Histologic evaluation of the bone graft interface after mandibular augmentation with hydroxylapatite/purified fibrillar collagen composite implants (Mehlisch et al). 1990;70:685-92
Bone wires
Relative efficiencies of various wiring configurations commonly used in open reductions of fractures of the angle of the mandible (Fisher et al). 1990;70:10-7
Bullae; *see* **Blister**
Burkitt's lymphoma
African Burkitt's lymphoma: case report and light and electron microscopic findings (Yih et al). 1990;70:760-4

C

Calcification, pathologic; *see* **Calcinosis**
Calcinosis
Bilateral calcified stylohyoid ligaments (Plezia). 1990;70:807 (Radiology forum)
Calcified thyroid cartilage (Salman and Kinney). 1990;70:806-7 (Radiology forum)
Unusual calcareous bridge (Chuong and Starns). 1990;70:681 (Radiology forum)
Calcium hydroxide
Apical closure of mature molar roots with the use of calcium hydroxide (Rotstein et al). 1990;70:656-60

Calculus, pathologic
Unusual calcareous bridge (Chuong and Starns). 1990;70:681 (Radiology forum)
Candida
Candidal infection in oral lichen planus (Hatchuel et al). 1990;70:172-5
Oral lichen planus: the clinical, historical, and therapeutic features of 100 cases (Vincent et al). 1990;70:165-71
Canine tooth
Radiculomegaly of canines and congenital cataracts—a syndrome? (Marashi and Gorlin). 1990;70:802-3
A very large maxillary cuspid (Wilkie and Chambers). 1990;70:159-60
Capillary hemangioma; *see* **Hemangioma**
Carbon dioxide
Histologic evaluation of the width of soft tissue necrosis adjacent to carbon dioxide laser incisions (Pogrel et al). 1990;70:564-8
Carcinogens
Active HSV-1 immunization prevents the cocarcinogenic activity of HSV-1 in the oral cavity of hamsters (Park et al). 1990;70:186-91
Carcinoma
Osteoradionecrosis of sphenoid and temporal bones in a patient with maxillary sinus carcinoma: a case report (Inokuchi et al). 1990;70:278-81
Carcinoma, squamous cell
Coexpression of cytokeratins, involucrin, and blood group antigens in oral squamous cell carcinomas (Toto and Nadimi). 1990;70:75-80
Effects of incision and irradiation on regional lymph node metastasis in carcinoma of the hamster tongue (Ohtake et al). 1990;70:62-9
Oral cancer: a survey of 566 cases from the University of Connecticut Oral Pathology Biopsy Service, 1975-1986 (Krutchkoff et al). 1990;70:192-8
Oral squamous cell carcinoma arising in a patient with longstanding lichen planus: a case report (Katz et al). 1990;70:282-5
Cardiac arrhythmia; *see* **Arrhythmia**
Cardiac valve pathosis; *see* **Heart valve diseases**
Caries
Intracoronal radiolucencies within unerupted teeth: case report and review of literature (Ignelzi et al). 1990;70:214-20
Radiographic detection of recurrent carious lesions associated with composite restorations (Goshima and Goshima). 1990;70:236-9
Unexpected dental caries (Sheldon). 1990;70:365 (Radiology forum)
Cartilage, articular
Arthroscopic and histologic evidence of chondromalacia in the temporomandibular joint (Quinn). 1990;70:387-92 (Supplement)
Cataract
Radiculomegaly of canines and congenital cataracts—a syndrome? (Marashi and Gorlin). 1990;70:802-3
Cell differentiation
Peripheral ameloblastoma with clear cell differentiation (Ng and Siar). 1990;70:210-3
Cell-mediated immunity; *see* **Immune system**
Cephalometry
Cephalometric analysis of long-term airway space changes with maxillary osteotomies (Greco et al). 1990;70:552-4
Coronoid process elongation in rhesus monkeys *(Macaca mulatta)* after experimentally induced mandibular hypomobility: a cephalometric and histologic study (Isberg et al). 1990;70:704-10
Ceramics
A new method of tooth replantation and autotransplantation: aluminum oxide ceramic for extraoral retrograde root filling (Keller). 1990;70:341-4
Cerebellopontine angle
Dysgeusia, gustatory sweating, and crocodile tears syndrome induced by a cerebellopontine angle meningioma (Schnarch and Markitziu). 1990;70:711-4
Chinese; *see* **Mongoloid race**
Chlorhexidine
In vitro effect of chlorhexidine and amikacin on oral gram-negative bacilli from bone marrow transplant recipients (Brown et al). 1990;70:715-9
Chondromalacia; *see* **Cartilage, articular**
Chondromatosis, synovial
Synovial chondromatosis with intracranial extension: a case report (Sun et al). 1990;70:5-9
Clear cell differentiation; *see* **Cell differentiation**
Collagen
Histologic evaluation of the bone graft interface after mandibular augmentation with hydroxylapatite/purified fibrillar collagen composite implants (Mehlisch et al). 1990;70:685-92
Composite resins
The radiographic density of composite restorative resins (Curtis et al). 1990;70:226-30
Radiographic detection of recurrent carious lesions associated with composite restorations (Goshima and Goshima). 1990;70:236-9
Computed panoramic radiography; *see* **Radiography, panoramic**
Congenital defects; *see* **Abnormalities**
Coronoid process; *see* **Mandible**
Coronoids; *see* **Crowns**
Correspondence
Letters. 1990;70:571-2
Crocodile tears syndrome; *see* **Tears**
Cross infection
The surgical mask unmasked: a review (Hogan and Samaranayake). 1990;70:34-6
Cross-sectional radiography; *see* **Radiography**
Cross-sectional tomography; *see* **Tomography**
Crowns
Bilaterally missing coronoids (Bottenbley). 1990;70:244 (Radiology forum)
Dens invaginatus with partial coronal agenesis (Hicks and Flaitz). 1990;70:240-1 (Radiology forum)
Cuspid; *see* **Canine tooth**
Cysts
Rupture of a mucous retention cyst (Ruprecht and Lau). 1990;70:683 (Radiology forum)
Cytokeratin; *see* **Keratin**

D

Dens in dente
Dens invaginatus with partial coronal agenesis (Hicks and Flaitz). 1990;70:240-1 (Radiology forum)
Multiple dens invaginatus (Tuzum and Bilge). 1990;70:128 (Radiology forum)
Prevalence of shovel-shaped incisors in Saudi Arabian dental patients (Saini et al). 1990;70:540-4
Dens invaginatus; *see* **Dens in dente**
Dental follicle; *see* **Dental sac**
Dental pulp, animal
Reactions of rat odontogenic tissues to heat (Nelson et al). 1990;70:773-9
Dental pulp cavity
Bifid mandibular canal (Driscoll). 1990;70:807 (Radiology forum)
Effectiveness of ultrasonic files in the disruption of root canal bacteria (Ahmad et al). 1990;70:328-32
The potential of periodontal pocket formation associated with untreated accessory root canals (Barkhordar and Stewart). 1990;70:769-72

Dental pulp cavity (cont'd.)
A retrospective clinical study of endodontically treated mandibular incisors in a selected Chinese population (Neo and Loh). 1990;70:782-3
Dental pulp diseases
A dentist's dilemma: nonsurgical endodontic therapy or periapical surgery for teeth with apparent pulpal pathosis and an associated periapical radiolucent lesion (Morse and Bhambhani). 1990;70:333-40
Lack of evidence for link between intradental lesions and chronic renal failure (Abraham-Inpijn and Schuurs). 1990;70:734-7
Dental sac
Contiguous enlarged dental follicles with histologic features resembling the WHO type of odontogenic fibroma (Lukinmaa et al). 1990;70:313-7
Desquamative gingivitis; *see* **Gingivitis**
Developmental groove
Maxillary lateral incisor with two developmental grooves (Smith and Carroll). 1990;70:523-5
Dexamethasone
Dexamethasone as an adjunct in oropharyngeal obstruction in a patient with leukemia (Barrett). 1990;70:741-3
Diabetes mellitus
Cell-mediated and humoral immune responses in diabetic patients with periodontitis (Anil et al). 1990;70:44-8
Grinspan's syndrome: a drug-induced phenomenon? (Lamey et al). 1990;70:184-5
Digital radiography; *see* **Radiographic image enhancement**
Dihydrocodeine
A study of the comparative efficacy of four common analgesics in the control of postsurgical dental pain (Habib et al). 1990;70:559-63
Down's syndrome
Bone trabecular pattern analysis in Down syndrome with the use of computed panoramic radiography. Part II: visual pattern analysis with the frequency and gradational enhancement (Kashima et al). 1990;70:360-4
Drug resistance, microbial
The development of penicillin-resistant oral streptococci after repeated penicillin prophylaxis (Fleming et al). 1990;70:440-4
Drug therapy, adverse effects
Grinspan's syndrome: a drug-induced phenomenon? (Lamey et al). 1990;70:184-5
Dry socket
Prevention of dry socket: an overview (Swanson). 1990;70:131-6
Dysgeusia
Dysgeusia, gustatory sweating, and crocodile tears syndrome induced by a cerebellopontine angle meningioma (Schnarch and Markitziu). 1990;70:711-4

E

Eagle syndrome
Bilateral calcified stylohyoid ligaments (Plezia). 1990;70:807 (Radiology forum)
Eagle syndrome (Zeidler and Haber-Cohen). 1990;70:129 (Radiology forum)
Ectopic tooth eruption; *see* **Tooth eruption, ectopic**
Edentulous mandible; *see* **Anodontia**
Ekman-Westborg-Julin syndrome
Anomalous morphologic formation of deciduous and permanent teeth in a 5-year-old 15th century child: a variant of the Ekman-Westborg-Julin syndrome (Mann et al). 1990;70:90-4
Elderly; *see* **Aged**
Electrocardiography
Dental patient reaction to electrocardiogram screening (Little et al). 1990;70:433-40
Electron microscopy; *see* **Microscopy, electron**
Embolization, therapeutic
Capillary hemangioma of the maxilla: a report of two cases in which angiography and embolization were used (Greene et al). 1990;70:268-73
Endodontic flare-ups; *see* **Infections**
Endotec; *see* **Equipment**
Enteral feeding
Complication in nasogastric tube placement after a gunshot wound to the face (Schell and Mathern). 1990;70:525-6 (Radiology forum)
Epidermolysis bullosa
Comprehensive dental care and general anesthetic management of hereditary epidermolysis bullosa: a review of fourteen cases (Wright). 1990;70:573-8
Equipment
A film-holding device to facilitate endodontic radiography (Loh and Neo). 1990;70:780-1
Photoelastic stress comparison of warm (Endotec) versus cold lateral condensation techniques (Martin and Fischer). 1990;70:325-7
Equipment contamination
Aerobic bacterial contamination in dental materials (Rice et al). 1990;70:537-9
Bacterial adherence and contamination during radiographic processing (Bachman et al). 1990;70:669-73
Erdheim-Chester disease
Premature alveolar bone loss in Erdheim-Chester disease (Valdez et al). 1990;70:294-6
Eye injuries
Unilateral mydriasis caused by transdermal scopolamine (Rubin et al). 1990;70:569-70

F

F-type implant
Clinical evaluation of the ITI (F-type) hollow cylinder implant (ten Bruggenkate et al). 1990;70:693-7
Face, abnormalities
A dentofacial deformity associated with incontinentia pigmenti: report of a case (Milam et al). 1990;70:420-4
Facial asymmetry
Hemifacial microsomia with an edentulous mandible: forme fruste or a new syndrome? (Cranin and Gallo). 1990;70:29-33
Facial injuries
Complication in nasogastric tube placement after a gunshot wound to the face (Schell and Mathern). 1990;70:525-6 (Radiology forum)
Patient compliance—a factor in facial trauma repair (Marciani et al). 1990;70:428-30
Facial nerve diseases
Recurrent peripheral facial nerve palsy after dental procedures (Shuaib and Lee). 1990;70:738-40
Facial paralysis
Recurrent peripheral facial nerve palsy after dental procedures (Shuaib and Lee). 1990;70:738-40
Familial expansile osteolysis; *see* **Osteolysis**
Fibroma
Contiguous enlarged dental follicles with histologic features resembling the WHO type of odontogenic fibroma (Lukinmaa et al). 1990;70:313-7
Fibrous lesions of the gingiva: a histopathologic analysis of 204 cases (Zain and Fei). 1990;70:466-70
Fibrous dysplasia, polyostotic
Unusual treatment of an aggressive polyostotic fibrous dysplasia with a 3-year follow-up (Forman et al). 1990;70:150-4
Fibrous dysplasia of bone
Segmental odontomaxillary dysplasia: report of eight cases and comparison with hemimaxillofacial dysplasia (Danforth et al). 1990;70:81-5
Fibrous lesions; *see* **Fibroma**

File; *see* **Instruments**
Film; *see* **X-ray film**
Film dosimetry
Effect of environmental factors on film badge dosimetry readings of dental office personnel (Collett et al). 1990;70:798-801
Flaps; *see* **Surgical flaps**
Florid osseous dysplasia
Differences between florid osseous dysplasia and chronic diffuse sclerosing osteomyelitis (Schneider and Mesa). 1990;70:308-12
Fluorescence microscopy; *see* **Microscopy, fluorescence**
Fracture fixation, internal
Relative efficiencies of various wiring configurations commonly used in open reductions of fractures of the angle of the mandible (Fisher et al). 1990;70:10-7
Free-focus radiography; *see* **Radiography**

G

Giant cell granuloma; *see* **Granuloma, giant cell**
Gingiva
More unusual pigmentations of the gingiva (Ashri and Gazi). 1990;70:445-9
Gingival diseases
Fibrous lesions of the gingiva: a histopathologic analysis of 204 cases (Zain and Fei). 1990;70:466-70
Gingival and cutaneous xanthomatosis associated with primary biliary cirrhosis: report of a case (Brooks). 1990;70:744-7
Nitrendipine-induced gingival hyperplasia: first case report (Brown et al). 1990;70:593-6
Gingivitis
Adult linear immunoglobulin A disease manifesting as desquamative gingivitis (Porter et al). 1990;70:450-3
Glass ionomer cements
Radiopacity of glass ionomer dental materials (Prévost et al). 1990;70:231-5
Gram-negative bacteria
In vitro effect of chlorhexidine and amikacin on oral gram-negative bacilli from bone marrow transplant recipients (Brown et al). 1990;70:715-9
Granulocytopenia; *see* **Agranulocytosis**
Granuloma
Hyaline ring granuloma: a distinct oral entity (Chou et al). 1990;70:318-24
Granuloma, giant cell
Peripheral giant cell granuloma: evidence for osteoclastic differentiation (Bonetti et al). 1990;70:471-5
Grinspan's syndrome
Grinspan's syndrome: a drug-induced phenomenon? (Lamey et al). 1990;70:184-5
Gunshot wound; *see* **Wound, gunshot**
Gustatory sweating; *see* **Sweating, gustatory**

H

Hallermann-Streiff syndrome
Dental radiographic signs characteristic to Hallermann-Streiff syndrome (Honda et al). 1990;70:121-5
Head and neck neoplasms
Salivary flow rates in patients with head and neck cancer 0.5 to 25 years after radiotherapy (Liu et al). 1990;70:724-9
Heart valve diseases
The prevalence of cardiac valvular pathosis in patients with systemic lupus erythematosis (Luce et al). 1990;70:590-2
Heat
Effect of environmental factors on film badge dosimetry readings of dental office personnel (Collett et al). 1990;70:798-801
Reactions of rat odontogenic tissues to heat (Nelson et al). 1990;70:773-9
Thermally induced 'nicotine' stomatitis: a case report (Rossie and Guggenheimer). 1990;70:597-9
Hemangioma
Capillary hemangioma of the maxilla: a report of two cases in which angiography and embolization were used (Greene et al). 1990;70:268-73
Intramuscular hemangioma in the oral region: report of three cases (Sund and Bang). 1990;70:765-8
Hemifacial microsomia; *see* **Facial asymmetry**
Hemimaxillofacial dysplasia
Segmental odontomaxillary dysplasia: report of eight cases and comparison with hemimaxillofacial dysplasia (Danforth et al). 1990;70:81-5
Herpes simplex virus; *see* **Herpesvirus hominis**
Herpesvirus hominis
Active HSV-1 immunization prevents the cocarcinogenic activity of HSV-1 in the oral cavity of hamsters (Park et al). 1990;70:186-91
Clinical study of herpes simplex virus infection in leukemia (Epstein et al). 1990;70:38-43
Diagnosis of oral hairy leukoplakia by ultrastructural examination of exfoliative cytologic specimens (Kratochvil et al). 1990;70:613-8
Oral and pharyngeal herpes simplex virus infection after allogeneic bone marrow transplantation: analysis of factors associated with infection (Schubert et al). 1990;70:286-93
Histiocytosis
Premature alveolar bone loss in Erdheim-Chester disease (Valdez et al). 1990;70:294-6
Histoplasmosis
Oral histoplasmosis as a presenting disease in acquired immunodeficiency syndrome (Oda et al). 1990;70:631-6
HIV
Oral melanotic macules in patients infected with human immunodeficiency virus (Ficarra et al). 1990;70:748-55
Progressive osseous destruction as a complication of HIV-periodontitis (SanGiacomo et al). 1990;70:476-9
Hollow cylinder implant; *see* **Implants**
HTLV viruses
Pathologic characteristics of human T-cell lymphotropic virus (HTLV)–related extranodal orofacial lymphomas (Kurihara et al). 1990;70:199-205
Human immunodeficiency virus; *see* **HIV**
Human T cell lymphotropic virus; *see* **HTLV viruses**
Humoral immunity; *see* **Antibody formation**
Hyaline ring granuloma; *see* **Granuloma**
Hydroxyapatites
Histologic evaluation of the bone graft interface after mandibular augmentation with hydroxylapatite/purified fibrillar collagen composite implants (Mehlisch et al). 1990;70:685-92
Hyperpigmentation; *see* **Pigmentation disorders**
Hyperplasia
Nitrendipine-induced gingival hyperplasia: first case report (Brown et al). 1990;70:593-6
Styloid process hyperplasia (Ierardi et al). 1990;70:679-80 (Radiology forum)
Hypersensitivity
Propolis allergy: a cause of oral mucositis with ulceration (Hay and Greig). 1990;70:584-6
Hypertension
Blood pressure measurements during dental checkups representative of 26-hour registration (Gortzak and Abraham-Inpijn). 1990;70:730-3
Grinspan's syndrome: a drug-induced phenomenon? (Lamey et al). 1990;70:184-5

I

Ibuprofen
A study of the comparative efficacy of four common analgesics in the control of postsurgical dental pain (Habib et al). 1990;70:559-63

Iduronidase
Orofacial features of Scheie (Hurler-Scheie) syndrome (α-L-iduronidase deficiency) (Keith et al). 1990;70:70-4
IgA
Adult linear immunoglobulin A disease manifesting as desquamative gingivitis (Porter et al). 1990;70:450-3
Immune system
Cell-mediated and humoral immune responses in diabetic patients with periodontitis (Anil et al). 1990;70:44-8
Immunization
Active HSV-1 immunization prevents the cocarcinogenic activity of HSV-1 in the oral cavity of hamsters (Park et al). 1990;70:186-91
Immunocompetence
Invasive aspergillosis of the maxilla in an immunocompromised patient (Shannon et al). 1990;70:425-7
Impacted tooth; *see* **Tooth, impacted**
Implants
Clinical application of dental implant with root of coated bioglass: short-term results (Kudo et al). 1990;70:18-23
Clinical evaluation of a single crystal sapphire tooth implant in human beings (Sclaroff et al). 1990;70:141-6
Clinical evaluation of the ITI (F-type) hollow cylinder implant (ten Bruggenkate et al). 1990;70:693-7
Cross-sectional radiography for implant site assessment (Kassebaum et al). 1990;70:674-8
Displacement of a root form implant into the mandibular canal (Theisen et al). 1990;70:24-8
Histologic evaluation of the bone graft interface after mandibular augmentation with hydroxylapatite/purified fibrillar collagen composite implants (Mehlisch et al). 1990;70:685-92
A retrospective evaluation of 301 TMJ Proplast-Teflon implants (Estabrooks et al). 1990;70:381-6 (Supplement)
Silicone rubber fossa implant removal via partial arthrotomy followed by arthroscopic examination of the internal surface of the fibrous capsule (Sanders et al). 1990;70:369-71 (Supplement)
Stent-aided imaging for osseointegrated implants (Steele et al). 1990;70:243 (Radiology forum)
In memoriam
In memoriam: Stefan Levin, DDS, MSD. 1990;70:637
Inborn errors of metabolism; *see* **Metabolism, inborn errors**
Incisor
Maxillary lateral incisor with two developmental grooves (Smith and Carroll). 1990;70:523-5
Prevalence of shovel-shaped incisors in Saudi Arabian dental patients (Saini et al). 1990;70:540-4
A retrospective clinical study of endodontically treated mandibular incisors in a selected Chinese population (Neo and Loh). 1990;70:782-3
Unusual calcareous bridge (Chuong and Starns). 1990;70:681 (Radiology forum)
Incontinentia pigmenti
A dentofacial deformity associated with incontinentia pigmenti: report of a case (Milam et al). 1990;70:420-4
Indexing splint; *see* **Splints**
Infections; *see also* **Bacteria**
The antimicrobial effect of various endodontic sealers (Al-Khatib et al). 1990;70:784-90
Candidal infection in oral lichen planus (Hatchuel et al). 1990;70:172-5
A clarification on endodontic flare-ups (Morse and Esposito). 1990;70:345-8
Effect of granulocytopenia on oral microbial relationships in patients with acute leukemia (Peterson et al). 1990;70:720-3
In vitro effect of chlorhexidine and amikacin on oral gram-negative bacilli from bone marrow transplant recipients (Brown et al). 1990;70:715-9
Invasive aspergillosis of the maxilla in an immunocompromised patient (Shannon et al). 1990;70:425-7
Infections (cont'd.)
Oral and pharyngeal herpes simplex virus infection after allogeneic bone marrow transplantation: analysis of factors associated with infection (Schubert et al). 1990;70:286-93
Orofacial odontogenic infections: review of microbiology and current treatment (Gill and Scully). 1990;70:155-8
Instruments
Effectiveness of ultrasonic files in the disruption of root canal bacteria (Ahmad et al). 1990;70:328-32
Safe storage times for sterile dental packs (Schwartz and Davis). 1990;70:297-300
Interferons
Interferon activation of latent natural killer cells and alteration in kinetics of target cell lysis: clinical implications for oral precancerous lesions (Pillai et al). 1990;70:458-61
Intracoronal radiolucencies; *see* **Caries**
Intradental lesions; *see* **Dental pulp diseases**
Intramuscular neoplasm; *see* **Neoplasms, muscle tissue**
Intranasal tooth eruption; *see* **Tooth eruption, ectopic**
Involucrin
Coexpression of cytokeratins, involucrin, and blood group antigens in oral squamous cell carcinomas (Toto and Nadimi). 1990;70:75-80
Irradiation, lymphatic; *see* **Lymphatic irradiation**

J

Joints, surgery
Silicone rubber fossa implant removal via partial arthrotomy followed by arthroscopic examination of the internal surface of the fibrous capsule (Sanders et al). 1990;70:369-71 (Supplement)

K

Keratin
Coexpression of cytokeratins, involucrin, and blood group antigens in oral squamous cell carcinomas (Toto and Nadimi). 1990;70:75-80
Keratinocytes
Diagnosis of oral hairy leukoplakia by ultrastructural examination of exfoliative cytologic specimens (Kratochvil et al). 1990;70:613-8
Kidney failure, chronic
Lack of evidence for link between intradental lesions and chronic renal failure (Abraham-Inpijn and Schuurs). 1990;70:734-7
Killer cells, natural
Interferon activation of latent natural killer cells and alteration in kinetics of target cell lysis: clinical implications for oral precancerous lesions (Pillai et al). 1990;70:458-61

L

Laser surgery
Histologic evaluation of the width of soft tissue necrosis adjacent to carbon dioxide laser incisions (Pogrel et al). 1990;70:564-8
Le Fort fracture; *see* **Maxillary fractures**
Leakage
A comparison of two temporary restorations: light-cured resin versus a self-polymerizing temporary restoration (Melton et al). 1990;70:221-5
Microleakage associated with retrofilling of the apical two thirds with amalgam (Negm). 1990;70:498-501
Ledging
Clinical factors associated with ledged canals in maxillary and mandibular molars (Greene and Krell). 1990;70:490-7
Letter
Letters. 1990;70:571-2

Leukemia
Clinical study of herpes simplex virus infection in leukemia (Epstein et al). 1990;70:38-43
Dexamethasone as an adjunct in oropharyngeal obstruction in a patient with leukemia (Barrett). 1990;70:741-3
Effect of granulocytopenia on oral microbial relationships in patients with acute leukemia (Peterson et al). 1990;70:720-3
Leukemia, T-cell
Adult T-cell leukemia/lymphoma of the tongue (Segami et al). 1990;70:206-9
Leukoplakia, oral
Diagnosis of oral hairy leukoplakia by ultrastructural examination of exfoliative cytologic specimens (Kratochvil et al). 1990;70:613-8
Levin, Stefan
In memoriam: Stefan Levin, DDS, MSD. 1990;70:637
Lichen planus
Candidal infection in oral lichen planus (Hatchuel et al). 1990;70:172-5
Grinspan's syndrome: a drug-induced phenomenon? (Lamey et al). 1990;70:184-5
Immunohistochemical study of oral lesions of lichen planus: diagnostic and pathophysiologic aspects (Boisnic et al). 1990;70:462-5
Multiple myeloma and bullous lichenoid lesions: an unusual association (Bowden et al). 1990;70:587-9
Oral lichen planus: the clinical, historical, and therapeutic features of 100 cases (Vincent et al). 1990;70:165-71
Oral squamous cell carcinoma arising in a patient with long-standing lichen planus: a case report (Katz et al). 1990;70:282-5
Ligament
Bilateral calcified stylohyoid ligaments (Plezia). 1990;70:807 (Radiology forum)
Light curing
A comparison of two temporary restorations: light-cured resin versus a self-polymerizing temporary restoration (Melton et al). 1990;70:221-5
Light microscopy; *see* Microscopy
Lip, physiopathology
Disturbance in lip sensation (Haidar). 1990;70:680-1 (Radiology forum)
Liver cirrhosis, biliary
Gingival and cutaneous xanthomatosis associated with primary biliary cirrhosis: report of a case (Brooks). 1990;70:744-7
Lupus erythematosus, systemic
The prevalence of cardiac valvular pathosis in patients with systemic lupus erythematosis (Luce et al). 1990;70:590-2
Lymphatic irradiation
Effects of incision and irradiation on regional lymph node metastasis in carcinoma of the hamster tongue (Ohtake et al). 1990;70:62-9
Lymphatic metastasis
Effects of incision and irradiation on regional lymph node metastasis in carcinoma of the hamster tongue (Ohtake et al). 1990;70:62-9
Lymphoma
Adult T-cell leukemia/lymphoma of the tongue (Segami et al). 1990;70:206-9
Pathologic characteristics of human T-cell lymphotropic virus (HTLV)–related extranodal orofacial lymphomas (Kurihara et al). 1990;70:199-205

M

Malassez' rest
Epithelial rests' function in replantation: is splinting necessary in replantation? (Wallace and Vergona). 1990;70:644-9
Malignant melanoma
Primary malignant melanoma in the parotid gland (Bahar et al). 1990;70:627-30
Mandible, animal
Triple bone labeling of canine mandibles (Pinholt and Kwon). 1990;70:401-5
Mandible, growth and development, animal
Coronoid process elongation in rhesus monkeys *(Macaca mulatta)* after experimentally induced mandibular hypomobility: a cephalometric and histologic study (Isberg et al). 1990;70:704-10
Effects of removing inferior alveolar neurovascular structures on mandibular growth and the eruption of permanent dentition in puppies (Harputluoğlu). 1990;70:147-9
Mandible, pathology
Unusual treatment of an aggressive polyostotic fibrous dysplasia with a 3-year follow-up (Forman et al). 1990;70:150-4
Mandible, physiopathology, animal
Coronoid process elongation in rhesus monkeys *(Macaca mulatta)* after experimentally induced mandibular hypomobility: a cephalometric and histologic study (Isberg et al). 1990;70:704-10
Mandible, surgery
Apparent regeneration of the mandibular canal in a free bone graft (Hopper and Poker). 1990;70:431-2
A comparative study of temporomandibular symptoms following mandibular advancement by bilateral sagittal split osteotomies: rigid versus nonrigid fixation (Flynn et al). 1990;70:372-80 (Supplement)
Mandibular condyle
Sagittal fracture of the head of the mandibular condyle (Carlson and Catone). 1990;70:243-4 (Radiology forum)
Mandibular diseases
Diagnostic imaging of diseases affecting the mandible with the use of computed panoramic radiography (Kashima et al). 1990;70:110-6
Diffuse sclerosing osteomyelitis of the mandible: a new concept of its etiology (van Merkesteyn et al). 1990;70:414-9
Monostotic Paget's disease of the mandible (Gergely). 1990;70:805-6 (Radiology forum)
Mandibular fractures
Relative efficiencies of various wiring configurations commonly used in open reductions of fractures of the angle of the mandible (Fisher et al). 1990;70:10-7
Sagittal fracture of the head of the mandibular condyle (Carlson and Catone). 1990;70:243-4 (Radiology forum)
Mandibular injuries
Displacement of a root form implant into the mandibular canal (Theisen et al). 1990;70:24-8
Mandibular neoplasms
Periapical lesions of mandibular bone: difficulties in early diagnostics (Wannfors and Hammarström). 1990;70:483-9
Mandibular ridge augmentation; *see* Alveolar ridge augmentation
Masks
The surgical mask unmasked: a review (Hogan and Samaranayake). 1990;70:34-6
Massive osteolysis; *see* Osteolysis, essential
Maxilla, microbiology
Invasive aspergillosis of the maxilla in an immunocompromised patient (Shannon et al). 1990;70:425-7
Maxilla, surgery
Cephalometric analysis of long-term airway space changes with maxillary osteotomies (Greco et al). 1990;70:552-4
Maxillary fractures
A unique indexing splint for use in combined Le Fort and nasal injuries to avoid tracheostomy (Farole and Piotrowski). 1990;70:399-400
Maxillary neoplasms
Capillary hemangioma of the maxilla: a report of two cases in which angiography and embolization were used (Greene et al). 1990;70:268-73
Maxillary sinus neoplasms
Osteoradionecrosis of sphenoid and temporal bones in a patient with maxillary sinus carcinoma: a case report (Inokuchi et al). 1990;70:278-81

Maxillofacial development
Massive osteolysis of the maxillofacial bones: report of two cases (Ohya et al). 1990;70:698-703
Melanins
Oral melanotic macules in patients infected with human immunodeficiency virus (Ficarra et al). 1990;70:748-55
Melanoma
Malignant melanoma of the oral cavity: a case report (Peckitt and Wood). 1990;70:161-4
Meningioma
Dysgeusia, gustatory sweating, and crocodile tears syndrome induced by a cerebellopontine angle meningioma (Schnarch and Markitziu). 1990;70:711-4
Mesiolingual canal
An SEM investigation of the mesiolingual canal in human maxillary first and second molars (Gilles and Reader). 1990;70:638-43
Metabolism, inborn errors
Dental findings in mucopolysaccharidosis type IV A (Morquio's disease type A) (Kinirons and Nelson). 1990;70:176-9
Orofacial features of Scheie (Hurler-Scheie) syndrome (α-L-iduronidase deficiency) (Keith et al). 1990;70:70-4
Metastasis; *see* **Neoplasm metastasis**
Microleakage; *see* **Leakage**
Microscopy
African Burkitt's lymphoma: case report and light and electron microscopic findings (Yih et al). 1990;70:760-4
Microscopy, electron
African Burkitt's lymphoma: case report and light and electron microscopic findings (Yih et al). 1990;70:760-4
Microscopy, electron, scanning
An SEM investigation of the mesiolingual canal in human maxillary first and second molars (Gilles and Reader). 1990;70:638-43
Microscopy, fluorescence
Triple bone labeling of canine mandibles (Pinholt and Kwon). 1990;70:401-5
Midazolam
A comparison of midazolam with and without nalbuphine for intravenous sedation (Barclay and Hunter). 1990;70:137-40
Molar
Absence of all permanent second molars (Tian). 1990;70:681-2 (Radiology forum)
Apical closure of mature molar roots with the use of calcium hydroxide (Rotstein et al). 1990;70:656-60
Clinical factors associated with ledged canals in maxillary and mandibular molars (Greene and Krell). 1990;70:490-7
Impacted maxillary deciduous second molar with occlusai amalgam restoration (Schiffmann). 1990;70:128 (Radiology forum)
An SEM investigation of the mesiolingual canal in human maxillary first and second molars (Gilles and Reader). 1990;70:638-43
Unusually placed molars (Rogers). 1990;70:679 (Radiology forum)
Molar, third
Cross-sectional tomography: a diagnostic technique for determining the buccolingual relationship of impacted mandibular third molars and the inferior alveolar neurovascular bundle (Miller et al). 1990;70:791-7
Fusion of a third molar with an invaginated supernumerary molar (Chen and Yang). 1990;70:526-7 (Radiology forum)
Morbidity after temporomandibular joint arthrography is lower than after removal of lower third molars (Westesson and Eriksson). 1990;70:2-4
Mongoloid race
A retrospective clinical study of endodontically treated mandibular incisors in a selected Chinese population (Neo and Loh). 1990;70:782-3
Morbidity
Morbidity after temporomandibular joint arthrography is lower than after removal of lower third molars (Westesson and Eriksson). 1990;70:2-4
Morquio disease; *see* **Mucopolysaccharidosis 4**
Mouth, microbiology
Orofacial odontogenic infections: review of microbiology and current treatment (Gill and Scully). 1990;70:155-8
Mouth mucosa
The effects of tartar-control toothpaste on the oral soft tissues (Kowitz et al). 1990;70:529-36
Propolis allergy: a cause of oral mucositis with ulceration (Hay and Greig). 1990;70:584-6
Mouth mucosa, pathology
Oral melanotic macules in patients infected with human immunodeficiency virus (Ficarra et al). 1990;70:748-55
Oral mucosal lesions related to silver amalgam restorations (Bolewska et al). 1990;70:55-8
Mouth mucosa, physiology
Oral mucosal status and major salivary gland function (Wolff et al). 1990;70:49-54
Mouth neoplasms
Hyaline ring granuloma: a distinct oral entity (Chou et al). 1990;70:318-24
Malignant melanoma of the oral cavity: a case report (Peckitt and Wood). 1990;70:161-4
Oral cancer: a survey of 566 cases from the University of Connecticut Oral Pathology Biopsy Service, 1975-1986 (Krutchkoff et al). 1990;70:192-8
Pathologic characteristics of human T-cell lymphotropic virus (HTLV)–related extranodal orofacial lymphomas (Kurihara et al). 1990;70:199-205
Mucopolysaccharidosis 4
Dental findings in mucopolysaccharidosis type IV A (Morquio's disease type A) (Kinirons and Nelson). 1990;70:176-9
Mucopolysaccharidosis 5
Orofacial features of Scheie (Hurler-Scheie) syndrome (α-L-iduronidase deficiency) (Keith et al). 1990;70:70-4
Mucous retention cyst; *see* **Cysts**
Multiple myeloma
Multiple myeloma and bullous lichenoid lesions: an unusual association (Bowden et al). 1990;70:587-9
Muscles, transplantation
Introducing the 'walk-up' flap (Marx et al). 1990;70:545-51
Mydriasis
Unilateral mydriasis caused by transdermal scopolamine (Rubin et al). 1990;70:569-70
Myelodysplastic syndromes
The myelodysplastic syndromes: case report and review (Flint et al). 1990;70:579-83

N

Nalbuphine
A comparison of midazolam with and without nalbuphine for intravenous sedation (Barclay and Hunter). 1990;70:137-40
Nasal cavity
Intranasal teeth: a case report (Carver et al). 1990;70:804-5 (Radiology forum)
Nasogastric tube; *see* **Enteral feeding**
Natural killer cells; *see* **Killer cells, natural**
Necrosis
Histologic evaluation of the width of soft tissue necrosis adjacent to carbon dioxide laser incisions (Pogrel et al). 1990;70:564-8
Neoplasm metastasis
Effects of incision and irradiation on regional lymph node metastasis in carcinoma of the hamster tongue (Ohtake et al). 1990;70:62-9
Neoplasms, immunology
Interferon activation of latent natural killer cells and alteration in kinetics of target cell lysis: clinical implications for oral precancerous lesions (Pillai et al). 1990;70:458-61

Neoplasms, muscle tissue
Intramuscular hemangioma in the oral region: report of three cases (Sund and Bang). 1990;70:765-8
Nicotine
Thermally induced 'nicotine' stomatitis: a case report (Rossie and Guggenheimer). 1990;70:597-9
Nitrendipine
Nitrendipine-induced gingival hyperplasia: first case report (Brown et al). 1990;70:593-6
Nose, injuries
A unique indexing splint for use in combined Le Fort and nasal injuries to avoid tracheostomy (Farole and Piotrowski). 1990;70:399-400
Nuclear magnetic resonance
Sclerosing osteomyelitis of Garrè (periostitis ossificans) (Felsberg et al). 1990;70:117-20

O

Occlusion, centric
A comparison of the signs of temporomandibular joint dysfunction and occlusal discrepancies in a symptom-free population of men and women (Huber and Hall). 1990;70:180-3
Odontogenic fibroma; *see* Fibroma
Odontogenic infections; *see* Infections
Odontogenic tissue, animal; *see* Dental pulp, animal
Odontogenic tumors
A pigmented adenomatoid odontogenic tumor (Aldred and Gray). 1990;70:86-9
Oral hairy leukoplakia; *see* Leukoplakia, oral
Oral lichen planus; *see* Lichen planus
Oral mucosa; *see* Mouth mucosa
Oral neoplasms; *see* Mouth neoplasms
Oropharyngeal obstruction; *see* Airway obstruction
Osseointegrated implants; *see* Implants
Osteitis
Prevention of dry socket: an overview (Swanson). 1990;70:131-6
Osteitis deformans
Monostotic Paget's disease of the mandible (Gergely). 1990;70:805-6 (Radiology forum)
Osteoclasts
Peripheral giant cell granuloma: evidence for osteoclastic differentiation (Bonetti et al). 1990;70:471-5
Osteolysis
Dental abnormalities associated with familial expansile osteolysis: a clinical and radiographic study (Mitchell et al). 1990;70:301-7
Osteolysis, essential
Massive osteolysis of the maxillofacial bones: report of two cases (Ohya et al). 1990;70:698-703
Osteomyelitis
Differences between florid osseous dysplasia and chronic diffuse sclerosing osteomyelitis (Schneider and Mesa). 1990;70:308-12
Diffuse sclerosing osteomyelitis of the mandible: a new concept of its etiology (van Merkesteyn et al). 1990;70:414-9
Idiopathic focal sclerosing osteomyelitis mimicking retained root tip (Ludlow and Brooks). 1990;70:241-2 (Radiology forum)
Sclerosing osteomyelitis of Garrè (periostitis ossificans) (Felsberg et al). 1990;70:117-20
Osteoradionecrosis
Osteoradionecrosis of sphenoid and temporal bones in a patient with maxillary sinus carcinoma: a case report (Inokuchi et al). 1990;70:278-81
Osteotomy
Cephalometric analysis of long-term airway space changes with maxillary osteotomies (Greco et al). 1990;70:552-4
A comparative study of temporomandibular symptoms following mandibular advancement by bilateral sagittal split osteotomies: rigid versus nonrigid fixation (Flynn et al). 1990;70:372-80 (Supplement)

P

Paget's disease of bone; *see* Osteitis deformans
Pain
A study of the comparative efficacy of four common analgesics in the control of postsurgical dental pain (Habib et al). 1990;70:559-63
Panoramic radiography; *see* Radiography, panoramic
Pantomography
Dental radiographic signs characteristic to Hallermann-Streiff syndrome (Honda et al). 1990;70:121-5
Sclerosing osteomyelitis of Garrè (periostitis ossificans) (Felsberg et al). 1990;70:117-20
Stent-aided imaging for osseointegrated implants (Steele et al). 1990;70:243 (Radiology forum)
Paracetamol; *see* Acetaminophen
Parotid neoplasms
The cellular composition of basal cell adenoma of the parotid gland: an immunohistochemical analysis (Ogawa et al). 1990;70:619-26
Primary malignant melanoma in the parotid gland (Bahar et al). 1990;70:627-30
Patient compliance
Patient compliance—a factor in facial trauma repair (Marciani et al). 1990;70:428-30
Pattern recognition, visual
Bone trabecular pattern analysis in Down syndrome with the use of computed panoramic radiography. Part II: visual pattern analysis with the frequency and gradational enhancement (Kashima et al). 1990;70:360-4
Penicillins
The development of penicillin-resistant oral streptococci after repeated penicillin prophylaxis (Fleming et al). 1990;70:440-4
Periapical cyst; *see* Radicular cyst
Periapical diseases
Periapical lesions of mandibular bone: difficulties in early diagnostics (Wannfors and Hammarström). 1990;70:483-9
Periodontal diseases
Quantitative evaluation of digital dental radiograph imaging systems (Hildebolt et al). 1990;70:661-8
Periodontal pocket
The potential of periodontal pocket formation associated with untreated accessory root canals (Barkhordar and Stewart). 1990;70:769-72
Periodontitis
Cell-mediated and humoral immune responses in diabetic patients with periodontitis (Anil et al). 1990;70:44-8
Progressive osseous destruction as a complication of HIV-periodontitis (SanGiacomo et al). 1990;70:476-9
Periostitis
Sclerosing osteomyelitis of Garrè (periostitis ossificans) (Felsberg et al). 1990;70:117-20
Pharynx
The modified superior based pharyngeal flap. Part I: surgical technique (Epker and Wu). 1990;70:247-50
The modified superior based pharyngeal flap. Part II: an anatomic study (Wu and Epker). 1990;70:251-5
The modified superior based pharyngeal flap. Part III: a retrospective study (Tharanon et al). 1990;70:256-67
Oral and pharyngeal herpes simplex virus infection after allogeneic bone marrow transplantation: analysis of factors associated with infection (Schubert et al). 1990;70:286-93
Photoelastic stress; *see* Stress, mechanical
Pigmentation disorders
A dentofacial deformity associated with incontinentia pigmenti: report of a case (Milam et al). 1990;70:420-4
More unusual pigmentations of the gingiva (Ashri and Gazi). 1990;70:445-9
Oral hyperpigmentation and adrenocortical hypofunction in a patient with acquired immunodeficiency syndrome (Porter et al). 1990;70:59-60

Pigmentation disorders (cont'd.)
A pigmented adenomatoid odontogenic tumor (Aldred and Gray). 1990;70:86-9
Polymers
A comparison of two temporary restorations: light-cured resin versus a self-polymerizing temporary restoration (Melton et al). 1990;70:221-5
Polyostotic fibrous dysplasia; *see* **Fibrous dysplasia, polyostotic**
Precancerous conditions
Interferon activation of latent natural killer cells and alteration in kinetics of target cell lysis: clinical implications for oral precancerous lesions (Pillai et al). 1990;70:458-61
Premolar
Peg-shaped mandibular second premolar (Ufomata). 1990; 70:367 (Radiology forum)
Proplast-Teflon implant; *see* **Implants**
Propolis
Propolis allergy: a cause of oral mucositis with ulceration (Hay and Greig). 1990;70:584-6
Psoriatic arthritis; *see* **Arthritis, psoriatic**

R

Radiation dosage
Effect of environmental factors on film badge dosimetry readings of dental office personnel (Collett et al). 1990;70:798-801
Radicular cyst
A dentist's dilemma: nonsurgical endodontic therapy or periapical surgery for teeth with apparent pulpal pathosis and an associated periapical radiolucent lesion (Morse and Bhambhani). 1990;70:333-40
Radiculomegaly
Radiculomegaly of canines and congenital cataracts—a syndrome? (Marashi and Gorlin). 1990;70:802-3
Radiographic image enhancement
Quantitative evaluation of digital dental radiograph imaging systems (Hildebolt et al). 1990;70:661-8
Radiography; *see also* **Pantomography**
Absence of all permanent second molars (Tian). 1990;70:681-2 (Radiology forum)
Antrolith (Irish et al). 1990;70:682-3 (Radiology forum)
Bacterial adherence and contamination during radiographic processing (Bachman et al). 1990;70:669-73
Bifid mandibular canal (Driscoll). 1990;70:807 (Radiology forum)
Bilateral calcified stylohyoid ligaments (Plezia). 1990;70:807 (Radiology forum)
Bilateral inverted supernumerary teeth (Carver et al). 1990; 70:127 (Radiology forum)
Bilaterally missing coronoids (Bottenbley). 1990;70:244 (Radiology forum)
Butterfly artifact in the oral cavity (Jones). 1990;70:680 (Radiology forum)
Calcified blood vessel (Boguslaw). 1990;70:366 (Radiology forum)
Calcified thyroid cartilage (Salman and Kinney). 1990;70:806-7 (Radiology forum)
Complication in nasogastric tube placement after a gunshot wound to the face (Schell and Mathern). 1990;70:525-6 (Radiology forum)
Cross-sectional radiography for implant site assessment (Kassebaum et al). 1990;70:674-8
Dens invaginatus with partial coronal agenesis (Hicks and Flaitz). 1990;70:240-1 (Radiology forum)
Dental abnormalities associated with familial expansile osteolysis: a clinical and radiographic study (Mitchell et al). 1990;70:301-7
Dental radiographic signs characteristic to Hallermann-Streiff syndrome (Honda et al). 1990;70:121-5
Devastated root (McGivney). 1990;70:366 (Radiology forum)
A film-holding device to facilitate endodontic radiography (Loh and Neo). 1990;70:780-1
Radiography (cont'd.)
Fine-detail panoramic radiography by free-focus radiography: a clinical demonstration of diagnostic radiographs (Jensen). 1990;70:502-15
Fusion of a third molar with an invaginated supernumerary molar (Chen and Yang). 1990;70:526-7 (Radiology forum)
Idiopathic focal sclerosing osteomyelitis mimicking retained root tip (Ludlow and Brooks). 1990;70:241-2 (Radiology forum)
Impacted maxillary deciduous second molar with occlusal amalgam restoration (Schiffmann). 1990;70:128 (Radiology forum)
Intranasal teeth: a case report (Carver et al). 1990;70:804-5 (Radiology forum)
Inverse tooth eruption (Arpak). 1990;70:127 (Radiology forum)
Maxillary lateral incisor with two developmental grooves (Smith and Carroll). 1990;70:523-5
Megalith (Hubar et al). 1990;70:245 (Radiology forum)
Monostotic Paget's disease of the mandible (Gergely). 1990; 70:805-6 (Radiology forum)
Multiple dens invaginatus (Tuzum and Bilge). 1990;70:128 (Radiology forum)
Multiple impacted supernumerary teeth (Yusof). 1990;70:126 (Radiology forum)
Peg-shaped mandibular second premolar (Ufomata). 1990; 70:367 (Radiology forum)
The radiographic density of composite restorative resins (Curtis et al). 1990;70:226-30
Radiographic detection of recurrent carious lesions associated with composite restorations (Goshima and Goshima). 1990;70:236-9
The radiologic morphology of asymptomatic temporomandibular joints (Muir and Goss). 1990;70:349-54
The radiologic morphology of painful temporomandibular joints (Muir and Goss). 1990;70:355-9
Radiopacity of glass ionomer dental materials (Prévost et al). 1990;70:231-5
Rubber base impression material (Evans). 1990;70:523 (Radiology forum)
Rupture of a mucous retention cyst (Ruprecht and Lau). 1990;70:683 (Radiology forum)
Styloid process hyperplasia (Ierardi et al). 1990;70:679-80 (Radiology forum)
Transcranial radiographic and tomographic analysis of the lateral and midpoint inclined planes of the articular eminence (Ichikawa et al). 1990;70:516-22
Unexpected dental caries (Sheldon). 1990;70:365 (Radiology forum)
Unusual radiographic root morphology (Short). 1990;70:241 (Radiology forum)
Radiography, panoramic
Bone trabecular pattern analysis in Down syndrome with the use of computed panoramic radiography. Part II: visual pattern analysis with the frequency and gradational enhancement (Kashima et al). 1990;70:360-4
Diagnostic imaging of diseases affecting the mandible with the use of computed panoramic radiography (Kashima et al). 1990;70:110-6
Disturbance in lip sensation (Haidar). 1990;70:680-1 (Radiology forum)
Eagle syndrome (Zeidler and Haber-Cohen). 1990;70:129 (Radiology forum)
Fine-detail panoramic radiography by free-focus radiography: a clinical demonstration of diagnostic radiographs (Jensen). 1990;70:502-15
Intranasal teeth: a case report (Carver et al). 1990;70:804-5 (Radiology forum)
Monostotic Paget's disease of the mandible (Gergely). 1990;70:805-6 (Radiology forum)
Multiple impacted supernumerary teeth (Yusof). 1990;70:126 (Radiology forum)
Unusual calcareous bridge (Chuong and Starns). 1990;70:681 (Radiology forum)

Radiography, panoramic (cont'd.)
Unusually placed molars (Rogers). 1990;70:679 (Radiology forum)
Radiology forum
Radiology forum. 1990;70:126-9, 240-5, 365-7, 523-7, 679-83, 804-7
Radiotherapy
Salivary flow rates in patients with head and neck cancer 0.5 to 25 years after radiotherapy (Liu et al). 1990;70:724-9
Regeneration
Apparent regeneration of the mandibular canal in a free bone graft (Hopper and Poker). 1990;70:431-2
Renal failure, chronic; *see* Kidney failure, chronic
Resins
A comparison of two temporary restorations: light-cured resin versus a self-polymerizing temporary restoration (Melton et al). 1990;70:221-5
The radiographic density of composite restorative resins (Curtis et al). 1990;70:226-30
Resistance, microbial; *see* Drug resistance, microbial
Restorations, permanent
Impacted maxillary deciduous second molar with occlusal amalgam restoration (Schiffmann). 1990;70:128 (Radiology forum)
Oral mucosal lesions related to silver amalgam restorations (Bolewska et al). 1990;70:55-8
The radiographic density of composite restorative resins (Curtis et al). 1990;70:226-30
Radiographic detection of recurrent carious lesions associated with composite restorations (Goshima and Goshima). 1990;70:236-9
Restorations, temporary
A comparison of two temporary restorations: light-cured resin versus a self-polymerizing temporary restoration (Melton et al). 1990;70:221-5
Root; *see* Tooth root
Root canal; *see* Dental pulp cavity
Root canal filling materials
The antimicrobial effect of various endodontic sealers (Al-Khatib et al). 1990;70:784-90
Microleakage associated with retrofilling of the apical two thirds with amalgam (Negm). 1990;70:498-501
A new method of tooth replantation and autotransplantation: aluminum oxide ceramic for extraoral retrograde root filling (Keller). 1990;70:341-4
Root canal irrigants
The risk of intentional dissolution of the smear layer after mechanical preparation of root canals (Gutiérrez et al). 1990;70:96-108
Root canal obturation
Clinical factors associated with ledged canals in maxillary and mandibular molars (Greene and Krell). 1990;70:490-7
Photoelastic stress comparison of warm (Endotec) versus cold lateral condensation techniques (Martin and Fischer). 1990;70:325-7
The risk of intentional dissolution of the smear layer after mechanical preparation of root canals (Gutiérrez et al). 1990;70:96-108
Root resorption
Dental abnormalities associated with familial expansile osteolysis: a clinical and radiographic study (Mitchell et al). 1990;70:301-7
Replantation: an analysis of 29 teeth (Gonda et al). 1990;70:650-5
Rubber
Rubber base impression material (Evans). 1990;70:523 (Radiology forum)

S

Safety
Safe storage times for sterile dental packs (Schwartz and Davis). 1990;70:297-300
Sagittal split osteotomy; *see* Osteotomy
Salivary gland calculi
Antrolith (Irish et al). 1990;70:682-3 (Radiology forum)
Megalith (Hubar et al). 1990;70:245 (Radiology forum)
Salivary gland diseases
Subacute necrotizing sialadenitis (Werning et al). 1990;70:756-9
Salivary gland neoplasms
Tyrosine-rich crystalloids in a polymorphous low-grade adenocarcinoma (Raubenheimer et al). 1990;70:480-2
Salivary glands, physiology
Oral mucosal status and major salivary gland function (Wolff et al). 1990;70:49-54
Salivation
Salivary flow rates in patients with head and neck cancer 0.5 to 25 years after radiotherapy (Liu et al). 1990;70:724-9
Sapphire; *see* Aluminum oxide
Saudi Arabia
Prevalence of shovel-shaped incisors in Saudi Arabian dental patients (Saini et al). 1990;70:540-4
Scanning electron microscopy; *see* Microscopy, electron, scanning
Scheie's syndrome; *see* Mucopolysaccharidosis 5
Sclerosing osteomyelitis of Garrè; *see* Osteomyelitis
Scopolamine
Unilateral mydriasis caused by transdermal scopolamine (Rubin et al). 1990;70:569-70
Sedatives
A comparison of midazolam with and without nalbuphine for intravenous sedation (Barclay and Hunter). 1990;70:137-40
Segmental odontomaxillary dysplasia
Segmental odontomaxillary dysplasia: report of eight cases and comparison with hemimaxillofacial dysplasia (Danforth et al). 1990;70:81-5
Shovel-shaped incisors; *see* Incisor
Sialadenitis
Subacute necrotizing sialadenitis (Werning et al). 1990;70:756-9
Sialolith; *see* Salivary gland calculi
Silicone elastomers
Silicone rubber fossa implant removal via partial arthrotomy followed by arthroscopic examination of the internal surface of the fibrous capsule (Sanders et al). 1990;70:369-71 (Supplement)
Silver
Oral mucosal lesions related to silver amalgam restorations (Bolewska et al). 1990;70:55-8
Skin diseases
Gingival and cutaneous xanthomatosis associated with primary biliary cirrhosis: report of a case (Brooks). 1990;70:744-7
Soft tissue necrosis; *see* Necrosis
Sphenoid bone
Osteoradionecrosis of sphenoid and temporal bones in a patient with maxillary sinus carcinoma: a case report (Inokuchi et al). 1990;70:278-81
Splints
Epithelial rests' function in replantation: is splinting necessary in replantation? (Wallace and Vergona). 1990;70:644-9
A unique indexing splint for use in combined Le Fort and nasal injuries to avoid tracheostomy (Farole and Piotrowski). 1990;70:399-400
Squamous cell carcinoma; *see* Carcinoma, squamous cell
Stents
Stent-aided imaging for osseointegrated implants (Steele et al). 1990;70:243 (Radiology forum)
Sterile instrument packs; *see* Instruments
Steroids
Oral lichen planus: the clinical, historical, and therapeutic features of 100 cases (Vincent et al). 1990;70:165-71
Stomatitis
The effects of tartar-control toothpaste on the oral soft tissues (Kowitz et al). 1990;70:529-36
Thermally induced 'nicotine' stomatitis: a case report (Rossie and Guggenheimer). 1990;70:597-9

Storage
Safe storage times for sterile dental packs (Schwartz and Davis). 1990;70:297-300
Streptococcus
The development of penicillin-resistant oral streptococci after repeated penicillin prophylaxis (Fleming et al). 1990;70: 440-4
Stress, mechanical
Photoelastic stress comparison of warm (Endotec) versus cold lateral condensation techniques (Martin and Fischer). 1990; 70:325-7
Stylohyoid ligament; ***see*** **Ligament**
Styloid process
Styloid process hyperplasia (Ierardi et al). 1990;70:679-80 (Radiology forum)
Subacute necrotizing sialadenitis; ***see*** **Sialadenitis**
Supernumerary teeth; ***see*** **Tooth, supernumerary**
Surgical flaps
Introducing the 'walk-up' flap (Marx et al). 1990;70:545-51
The modified superior based pharyngeal flap. Part I: surgical technique (Epker and Wu). 1990;70:247-50
The modified superior based pharyngeal flap. Part II: an anatomic study (Wu and Epker). 1990;70:251-5
The modified superior based pharyngeal flap. Part III: a retrospective study (Tharanon et al). 1990;70:256-67
Surgical masks; ***see*** **Masks**
Sweating, gustatory
Dysgeusia, gustatory sweating, and crocodile tears syndrome induced by a cerebellopontine angle meningioma (Schnarch and Markitziu). 1990;70:711-4
Synovial chondromatosis; ***see*** **Chondromatosis, synovial**
Systemic lupus erythematosus; ***see*** **Lupus erythematosus, systemic**

T

T-cell leukemia; ***see*** **Leukemia, T-cell**
T lymphocytes
Immunohistochemical study of oral lesions of lichen planus: diagnostic and pathophysiologic aspects (Boisnic et al). 1990;70:462-5
Tartar-control toothpaste; ***see*** **Toothpaste, tartar-control**
Tears
Dysgeusia, gustatory sweating, and crocodile tears syndrome induced by a cerebellopontine angle meningioma (Schnarch and Markitziu). 1990;70:711-4
Temporal bone
Osteoradionecrosis of sphenoid and temporal bones in a patient with maxillary sinus carcinoma: a case report (Inokuchi et al). 1990;70:278-81
Temporomandibular joint
Arthroscopic and histologic evidence of chondromalacia in the temporomandibular joint (Quinn). 1990;70:387-92 (Supplement)
A comparative study of temporomandibular symptoms following mandibular advancement by bilateral sagittal split osteotomies: rigid versus nonrigid fixation (Flynn et al). 1990;70:372-80 (Supplement)
Morbidity after temporomandibular joint arthrography is lower than after removal of lower third molars (Westesson and Eriksson). 1990;70:2-4
The radiologic morphology of asymptomatic temporomandibular joints (Muir and Goss). 1990;70:349-54
A retrospective evaluation of 301 TMJ Proplast-Teflon implants (Estabrooks et al). 1990;70:381-6 (Supplement)
Temporomandibular joint diseases
A histologic evaluation of the accuracy of TMJ diagnostic arthroscopy (Merrill et al). 1990;70:393-8
Psoriatic arthropathy of the temporomandibular joint (Wilson et al). 1990;70:555-8
The radiologic morphology of painful temporomandibular joints (Muir and Goss). 1990;70:355-9
Temporomandibular joint diseases (cont'd.)
Synovial chondromatosis with intracranial extension: a case report (Sun et al). 1990;70:5-9
Temporomandibular joint syndrome
A comparison of the signs of temporomandibular joint dysfunction and occlusal discrepancies in a symptom-free population of men and women (Huber and Hall). 1990;70:180-3
Temporomandibular joint dysfunction and selected health parameters in the elderly (Harriman et al). 1990;70:406-13
Third molar; ***see*** **Molar, third**
Thyroid cartilage
Calcified thyroid cartilage (Salman and Kinney). 1990;70:806-7 (Radiology forum)
Tissue necrosis; ***see*** **Necrosis**
Tomography
Cross-sectional tomography: a diagnostic technique for determining the buccolingual relationship of impacted mandibular third molars and the inferior alveolar neurovascular bundle (Miller et al). 1990;70:791-7
Transcranial radiographic and tomographic analysis of the lateral and midpoint inclined planes of the articular eminence (Ichikawa et al). 1990;70:516-22
Tomography, x-ray computed
Cross-sectional radiography for implant site assessment (Kassebaum et al). 1990;70:674-8
Sagittal fracture of the head of the mandibular condyle (Carlson and Catone). 1990;70:243-4 (Radiology forum)
Sclerosing osteomyelitis of Garrè (periostitis ossificans) (Felsberg et al). 1990;70:117-20
Tongue neoplasms
Adult T-cell leukemia/lymphoma of the tongue (Segami et al). 1990;70:206-9
Effects of incision and irradiation on regional lymph node metastasis in carcinoma of the hamster tongue (Ohtake et al). 1990;70:62-9
Oral squamous cell carcinoma arising in a patient with long-standing lichen planus: a case report (Katz et al). 1990;70: 282-5
Tooth, abnormalities
A very large maxillary cuspid (Wilkie and Chambers). 1990; 70:159-60
Tooth, impacted
Bilateral inverted supernumerary teeth (Carver et al). 1990; 70:127 (Radiology forum)
Cross-sectional tomography: a diagnostic technique for determining the buccolingual relationship of impacted mandibular third molars and the inferior alveolar neurovascular bundle (Miller et al). 1990;70:791-7
Impacted maxillary deciduous second molar with occlusal amalgam restoration (Schiffmann). 1990;70:128 (Radiology forum)
Multiple impacted supernumerary teeth (Yusof). 1990;70:126 (Radiology forum)
Tooth, supernumerary
Bilateral inverted supernumerary teeth (Carver et al). 1990; 70:127 (Radiology forum)
Fusion of a third molar with an invaginated supernumerary molar (Chen and Yang). 1990;70:526-7 (Radiology forum)
Multiple impacted supernumerary teeth (Yusof). 1990;70:126 (Radiology forum)
Tooth, transplantation
A new method of tooth replantation and autotransplantation: aluminum oxide ceramic for extraoral retrograde root filling (Keller). 1990;70:341-4
Tooth, unerupted
Intracoronal radiolucencies within unerupted teeth: case report and review of literature (Ignelzi et al). 1990;70:214-20
Tooth eruption
Effects of removing inferior alveolar neurovascular structures on mandibular growth and the eruption of permanent dentition in puppies (Harputluoğlu). 1990;70:147-9
Inverse tooth eruption (Arpak). 1990;70:127 (Radiology forum)

Tooth eruption, ectopic
Intranasal teeth: a case report (Carver et al). 1990;70:804-5 (Radiology forum)
Tooth extraction
Dental extraction for patients on oral anticoagulant therapy (Martinowitz et al). 1990;70:274-7
Tooth replantation
Epithelial rests' function in replantation: is splinting necessary in replantation? (Wallace and Vergona). 1990;70:644-9
A new method of tooth replantation and autotransplantation: aluminum oxide ceramic for extraoral retrograde root filling (Keller). 1990;70:341-4
Replantation: an analysis of 29 teeth (Gonda et al). 1990;70: 650-5
Tooth root
Apical closure of mature molar roots with the use of calcium hydroxide (Rotstein et al). 1990;70:656-60
Clinical application of dental implant with root of coated bioglass: short-term results (Kudo et al). 1990;70:18-23
Devastated root (McGivney). 1990;70:366 (Radiology forum)
Displacement of a root form implant into the mandibular canal (Theisen et al). 1990;70:24-8
Idiopathic focal sclerosing osteomyelitis mimicking retained root tip (Ludlow and Brooks). 1990;70:241-2 (Radiology forum)
Unusual radiographic root morphology (Short). 1990;70:241 (Radiology forum)
Toothpaste
The effects of tartar-control toothpaste on the oral soft tissues (Kowitz et al). 1990;70:529-36
Trabecular meshwork
Bone trabecular pattern analysis in Down syndrome with the use of computed panoramic radiography. Part II: visual pattern analysis with the frequency and gradational enhancement (Kashima et al). 1990;70:360-4
Tracheostomy
A unique indexing splint for use in combined Le Fort and nasal injuries to avoid tracheostomy (Farole and Piotrowski). 1990;70:399-400
Transplantation, autologous
A new method of tooth replantation and autotransplantation: aluminum oxide ceramic for extraoral retrograde root filling (Keller). 1990;70:341-4
Tyrosine
Tyrosine-rich crystalloids in a polymorphous low-grade adenocarcinoma (Raubenheimer et al). 1990;70:480-2

U

Ultrasonic therapy
Effectiveness of ultrasonic files in the disruption of root canal bacteria (Ahmad et al). 1990;70:328-32
Unerupted tooth; *see* Tooth, unerupted

V

Velopharyngeal insufficiency
The modified superior based pharyngeal flap. Part I: surgical technique (Epker and Wu). 1990;70:247-50
The modified superior based pharyngeal flap. Part II: an anatomic study (Wu and Epker). 1990;70:251-5
The modified superior based pharyngeal flap. Part III: a retrospective study (Tharanon et al). 1990;70:256-67
Visual pattern analysis; *see* Pattern recognition, visual

W

Wires; *see* Bone wires
Wound, gunshot
Complication in nasogastric tube placement after a gunshot wound to the face (Schell and Mathern). 1990;70:525-6 (Radiology forum)

X

X-ray film
A film-holding device to facilitate endodontic radiography (Loh and Neo). 1990;70:780-1
Xanthomatosis
Gingival and cutaneous xanthomatosis associated with primary biliary cirrhosis: report of a case (Brooks). 1990;70:744-7
